

SPA BODY

REFINED AND DEFINED

Clarins new formula High Definition Body Lift stimulates the release of excess fats through two innovations: by facilitating the opening of the protein barrier which protects stored fats, and by helping to trigger the elimination of fats. It contains caffeine and eight plants to increase the release of adipose and reduce its storage, slow the expansion of fatty tissue and firm the skin, and stimulate drainage, enhancing skin's appearance.

TAHITIAN TONIC

Tamanu oil has been used for centuries for its healing properties which include scar tissue reduction and its anti-viral, anti-inflammatory and anticoagulant qualities. The oil is extracted from the nuts of the "Sacred Tree" of Tahiti and is said to provide superior anti-ageing qualities; moisturising, nourishing and regenerating epidermal skin cells. It is said to act as a UV filter and also treat acne, scars, wrinkles, burns, cuts, bites. Tamanu oil, from Monoi Australia, is free of preservatives, parabens, petro-chemicals, animal products and by-products. **Contact: Monoi Australia www.monoi.com.au**

SMOOTH ALL-ROUNDER

Cellande's new Hand, Foot & Body Lotion is formulated using essential oils and herbs to smooth and recondition the skin. It softens the skin and makes the external layers more pliant by increasing hydration. It helps reverse conditions such as inflammation and dryness. With ingredients including coconut oil, lavender essential oil and chamomile, it's ideal to use during pedicures and after waxing. It will also assist in maintaining fake tans. Commercial and retail sizes are available. **Contact Cellande (07) 3279 0222.**
